

Folder permissions:

One can find few problems with folder permissions. One solution is gently uploaded by Dropbox on <https://www.dropbox.com/help/syncing-uploads/incorrect-file-permissions>:

1)

```
#sudo chown "$USER" "$HOME"  
#sudo chown -R "$USER" folderPath  
#sudo chatr -R -i folderPath  
#sudo chmod -R u+rw folderPath
```
